

CLASS/CLINICAL CONDUCT

1. All students are expected to conduct themselves with the ***courtesy, dignity*** and ***caring*** customary of the nursing profession. Negative and or antagonistic attitudes will not be tolerated in class or clinical setting.
2. Nursing is a profession dealing with human life; therefore, unprofessional conduct such as lying, cheating, stealing, as well as the use of alcohol or unprescribed drugs while on duty is prohibited. The use of prescription or over-the-counter medication that may alter your ability to perform required duties must be reported to you instructor immediately. Any student with any medical condition, including pregnancy, must obtain a doctor's note with any necessary restrictions stating that they may attend and participate in class/lab/clinical.
3. All students must follow the policies of GL and the respective clinical areas as they pertain to conduct, dress, grooming, jewelry, ornaments, and related matters.
4. Any student found to be abusive or neglectful of patients will be dropped from the course immediately.
5. A student will be withdrawn from the course for harassment and/or assault—verbal, physical, or sexual in nature—of a patient, and employee of Guiding Lights, or any clinical site personnel.
6. Students must adhere to established protocol for protection of privacy and confidentiality of patients in the clinical site.
7. Students are not allowed to miss any clinical time.
8. Students must pass all clinical skills.
9. No cell phones in class rooms or clinical areas. Only allowed during breaks & lunch. To be out of sight and ringer off!
10. Assignments not completed on time will result in a zero.
11. Students must maintain @ least a 75 average to remain in class.
